# PAYDAY LOTTO

LICENSED BY VICTORIA HOSPITALS FOUNDATION

APRIL 1, 2018 to MARCH 31, 2019

APPLICATION FORM

## RULES OF PLAY

- All Island Health staff are eligible to play, including casuals.
- Participants must be 19 or over. If the winning ticket bears a minor's name, the prize will be lawfully delivered on behalf of the minor to the minor's parent, legal guardian or trustee.
- This is a bi-weekly payroll deduction raffle with one winning ticket drawn and one winner receiving 50% of the total money for that draw.
- Tickets may be sold and purchased only in British Columbia.
- Draw dates and location are every 2nd Friday at 2pm (except on statutory holidays at which time the payday is the draw date) beginning April 13, 2018 and ending March 29, 2019 at KPMG Chartered Accountants, St. Andrews Square, 800-730 View St. Victoria BC V8W 3Y7.
- Each pay period, Island Health provides the Victoria Hospitals Foundation with a list of payroll deduction lotto participants. Only these participants will be eligible for that draw.
- If you do not work in the pay period you do not play.
- Once your application is received by the Victoria Hospitals Foundation and your employee payroll record has been updated by Island Health, an email notification will be sent to you from the Foundation confirming your enrollment in the Payday Lotto. Because of cut-off dates for Island Health pay periods, it may take several weeks before payroll deductions begin.
- The Victoria Hospitals Foundation is required to publish the winning player's name and the amount won. Each payday, after notifying the winner, the winning name is emailed to all lotto participants and posted on our website at [www.victoriahf.ca/viha-payday-lotto](http://www.victoriahf.ca/viha-payday-lotto).
- Players are notified of updates or changes to Payday Lotto via email. Please provide a valid email address. You are responsible for keeping your contact information up to date.
- Winners are required to present their Island Health identification along with one other piece of photo identification to receive their cheque from the Victoria Hospitals Foundation's office.
- Participants will be entered for eligible draws through the period of April 1, 2018 - March 31, 2019. Requests to leave the lotto are at the discretion of the employee.
- Please note that the annual cost of lotto participation is not considered a charitable donation by the Canada Revenue Agency and is therefore not eligible for a tax receipt.
- The Victoria Hospitals Foundation is committed to protecting your privacy. Information provided is for internal use only. We will not sell, trade or rent your personal information nor add you to any solicitation list.
- Victoria Hospitals Foundation staff are not eligible to play Payday Lotto.
- BC Gaming Event License #103333.

Actual odds depend on the number of participants playing in each bi-weekly draw.
