About the Victoria Hospitals Foundation

The Victoria Hospitals Foundation works in partnership with the Vancouver Island Health Authority to enable donations to Vancouver Island’s two largest and most comprehensive hospitals: the Royal Jubilee and the Victoria General. Last year, we raised nearly \$7 million for urgently needed medical equipment and special projects that help these two hospitals provide care to all 765,000 residents of Vancouver Island. Since 1989, the Victoria Hospitals Foundation has raised nearly \$114.5 million to benefit our hospitals. For more information, call the Foundation at 250-519-1750 or visit www.victoriahf.ca.
