

PORTFOLIO REPORT 2019–20

Diagnostics & Pharmacy

Transforming Healthcare Together

As your Foundation, we partner with Island Health to raise funds for the priority equipment needs in our hospitals.

Each year, Island Health Capital Finance receives equipment requests from the departments in our hospitals and releases a list of approved equipment purchases. From that list, we develop our fundraising campaigns and initiatives in support of the identified needs. We work with donors who wish to support specific areas of care or particular needs of the department.

In fiscal 2019–20, we committed **\$5,823,822 to equipment, special projects, education, and research**, supporting Royal Jubilee and Victoria General hospitals and Island Health as a whole.

Campaigns Supporting Your Work

Bringing *The Big Picture* Into Focus

Since launching in November 2019, 3,500+ donors have contributed over **\$3.3 million** to our *Big Picture* campaign. We aim to raise \$4 million to fund 42 pieces of **leading-edge imaging equipment** at RJH and VGH. Tools like the 3T MRI, CT scanner, and ultrasounds will help improve diagnosis and treatment for our patients.

Our Patient Champions

"I credit the MRI and the care I received at Royal Jubilee Hospital for saving my life."

"Using ultrasound images, the surgeon removed the mass without needing a more complex open surgery."

"The CT scanner was essential in my diagnosis, the removal of my tumour, and now through follow-up."

Community Events: Visions Gala

VHF's 2019 *Visions* Gala marked the launch of *The Big Picture* campaign for imaging equipment. Our 2019 signature gala was the most inspiring and successful Visions in its 29-year history, raising a record-breaking \$1 million for high-tech, high-impact tools at RJH and VGH in one night. Held at the Fairmont Empress Hotel, the event sold out in record time and hosted more than 300 of Victoria's community leaders and healthcare professionals.

NEW! Peer-to-Peer Fundraising

VHF has just launched our new online peer-to-peer fundraising platform. With just a few clicks, **fundraisers can set up their own personalized page** hosted on JustGiving and raise money specifically for Diagnostics & Pharmacy.

This is a great way to engage new supporters and have our fundraisers use their network and recognize your colleagues for their dedicated work. More information can be found on our website at victoriahf.ca/peer-to-peer or start your own page at justgiving.com/campaign/vhf-diagnostics.
